_____

The Ace Hotel is a well-known staple of the arts and entertainment scenes and has an eye on taking over streetwear style as well. On December 8th, the hotel will be shipping a special-edition, limited run sneaker it created in collaboration with vans damen sale skate shoe company.

The custom vans damen old skool low tops feature olive drab canvas and black suede uppers, gum soles, and a tiny tattoo reading ﾟthe world is as you areﾟ on the inside left foxing. The iconic side stripe is also removed, making for a bold stylistic choice and an overall cleaner look. There will only be 250 pairs created and theyﾟll retail at $95 a pair. This is actually the second collaboration between Vans and Ace Hotel, the first was a black-on-black version of the classic Era model in 2014.

The limited-edition vans damen gﾟnstig are available on the Ace Hotel website now, but youﾟll have to wait until next month to get them. Vans is also has some sales coming up for Black Friday/Cyber Monday, which include 10% off sitewide on Black Friday and 20% off sitewide Cyber Monday.

Marshmallow hues and a gum rubber outsole complete the aesthetics of the vans damen weiﾟshoe.
Ace Hotel is a chain of hotels with locations in Portland, New York, Palm Springs, Chicago, London, Seattle, Pittsburgh, Los Angeles, and New Orleans, with a focus on embracing their respective citiesﾟ arts and entertainment scenes, often hosting concerts and exhibitions highlighting local talent.

This brand new collab between END and vans damen schuhe consists of two different two-toned iterations of the Vans Old Skool that merge sustainability, fashion and the Danish way of living onto its design. Ideal for the sidewalk and skateboard, the shoes come dressed in turtle dove woolen uppers paired up with a natural leather sidestripe.
