<br/> who supports both bills. I want to thank my Democratic and Republican colleagues in the Senate for working so hard to bring us to this day. • <br/> <br/> <br/> A \$748 billion stimulus bill includes provisions both parties support, including the extension of two expiring unemployment programs, an additional \$300 a week in jobless benefits, a second round of the Paycheck Protection Program, rental assistance, student loan forbearance, and funding for testing, tracing and vaccine distribution, among others. <br/> <br/>br/> The second bill includes just two provisions: Liability protections for businesses that some Democrats characterize as a \*poison pill\* and \$160 billion for state and local government aid, which Republicans • including Senate Majority Leader Mitch McConnell (R-KY) ♦ have called a ♦ blue state bailout. ♦ ♦ The split could help Leader McConnell with the process, A Mark Harkins, a former congressional staffer and senior fellow at Georgetown & Government Affairs Institute, told Yahoo Money. & But it is unclear what happens if the Senate passes the smaller bill and the House adds back in the state and local aid. � <br/> smokingusacigarettes.com]Online Cigarettes Store USA</font><br/>>cfont ========<br/><br/></font><br/>
