Well established for a number of years, over 30 actually,www.promkoutletonline.com, Michael Kors is certainly a luxury brand,michael kors handbags outlet, well known for providing affordable quality products. A line in accessories followed a beginning in ladies fashion then in 2004 in partnership with Fossil a collection of watches was launched

There is a large collection to choose from in the Michael Kors range providing outstanding style and a range of prices to suit most peoples budget. You will find a variety of bands & straps which include silver, gold,michael kors outlet, tortoise, ceramic, leather & silicone.

If you are looking for some inspiration here are a few styles to choose from

The MK 5273 has a date display with 3 sub dials inside a round orange 45mm dial. It is luminous & attached to bright orange acrylic strap. This could be classed as unisex, although you will usually find it advertised for women. If you have a need to measure your distance there is a tachometer and the 24mm wide band is fastened with a deployment clasp

With mother of pearl dial & a white croc style leather strap the MK 5049 is described as fun & sporty. This watch has a quartz movement in the chronograph style and will track seconds, minutes and hours. You won't have to worry about splashing with water, this watch will be resistant at 50 metres just in case you find you're in at the deep end,www.mxalbum.com, or unable to resist the temptation of waves lapping at your feet on a sun drenched beach. It appears that many customers say this watch & strap are ideal for small wrists,michael kors factory outlet, they also comment that it can be dressed up or down to suit every occasion.

Part of what is known as the Runaway collection is the MK 8107. This could well be the watch for you if you have ever admired the watches worn by the likes of James Bond. The black anodized bezel really do make the stainless steel accents stand out well. Many of the Michael Kors watches are unisex, this one however is probably best left to worn by the men. The 44mm dial is just too large for women,michael kors black friday, however the choice is yours.

You will find that with fashion and designer labels a share of the market is taken up by bottom feeders dedicated to producing fakes . It is however possible to guard against falling foul of these fakes by always ensuring you shop at genuine online stores and making sure your browser displays all the security marks and seals of approval that you would expect from a reputable store.
