_____

If you say, do you know Duncan Zheng Nepoch for a long time, perhaps because of the extraordinary grace of ceramic artists, irresistible F4 one Su Yi is;

If you say that,Inventory of He Jintao private equity and the appl, you just know Duncan Zheng Nepoch soon, probably because recently hit drama "winter wind" that impulsivity but loyalty a handsome young Pu Zhencheng;

But if you say,INFINITE L and Duncan Zheng Nepoch denied, you don't know Duncan Zheng Nepoch, then I tell you, you will soon realize from the new film "director Tsui Hark Di Renjie prequel god dragon" to him, gentle suave Yuan Zhen son, even beauty peerless courtesan all Duryodhana parry, constant force your strong enough?

His name is Duncan Zheng Nepoch, an actor in many Hallyu star could not be underestimated. Flower exquisite appearance, warm sweet smile, for his crown on the "flower" of the title bar, really not too. Only general artists would be afraid of be characterized as "vase", to be worried about being too much attention to his appearance, and denied in performance performance. However, Duncan Zheng Nepoch has this ability, let you praise God for his grace in all at the same time, the more he will be fine and explosive force acting to seismic perturbation.

The passage of time, the Duncan Zheng Nepoch from the year flower young growth can take charge as chief of the actor, the first half of this year, he make a hurried journey without stop to shoot the works, now, he shot MBC TV TV drama "the fire goddess well son" in the busy, deductive love well in series (Moon Geun Young decoration) Samurai Jintai Road role.

Recently, Sina entertainment to see the Duncan Zheng Nepoch in the "goddess of fire," South Korea set well, like the screen image of gentle man, Duncan Zheng Nepoch has an interview with a gentle tone, although the first half of the schedule is very busy, but he said these works to produce their own power, and gives his own strength.

How is energy, hidden in where?
