_____

This goes to show that we no longer just rely on scientific testing in anti-doping, and there is an increasing number of ways for dopers to be caught. This sends a strong message to those contemplating doping.Bohn smoked a few racks of ribs for his 43rd birthday last week, and at the Zurich Classic of New Orleans, he hit his favorite restaurants for smoked duck and char-grilled oysters, saying that he simply has cut down on the quantity.
