Price In fact, Trump is so confident in his golf that he suggested the best way for him to secure the White House is to challenge President Obama to a round of golf. The President is believed to have improved considerably since taking office as a 17 handicap, but it's doubtful he's

reached Trump's level.

callaway x2 hot driver for sale When the former mayor of Japeri built a nine-hole golf course here a decade ago, he envisaged it would become a powerful draw for golfers who had just two courses from which to choose in Rio. The idea was that wealthy tourists would help spur the local economy by coming here to play a few holes.
