**TaylorMade M2** On Monday, it was revealed that Trump's golf course in Scotland would be expanding, adding a second 18-hole golf course, as well as a 450-room, five-star hotel. **Titleist AP1** The Coachella Valley Multiple Species Conservation Plan requires that fences be installed within two years if bighorns roam onto urban places where they are subject to injury, or even death, from vehicle strikes, drowning in canals and swimming pools, eating toxic plants **Titleist 915 Driver** Rams have been seen bucking horns during mating season. However, to my knowledge, Duncan said, no one has ever hit a bighorn with a golf ball. **TaylorMade M1** **Titleist AP2**
