Henan land: 10 yuan/pack

Studies of quality and components of Hongtashan smoking

Hongtashan Old classic 100 is known as a classic flue-cured tobacco smoking with decent absorption, medium coke subject matter, fine cigarette smoke, pure cigarette smoke aroma and even lingering scent after smokes, which causes people believe more favorable to barefoot running. The cost you performance is in addition very increased, it can offer smokers a monetary value to like, make many people particularly fantastic. The cigarette smoke combustion qualification, the cigarette smoke navigation is amazingly good, the lightweight coke is definitely the most good.

To summarize, this brand is definitely the most old classic cigarette product. It is without a doubt famous for their good suction taste and the cigarette fragrance. It warrants a products. It doubles as long-term rations. But smokes is damaging of your well-being, so slashed it downward.
