Designer Dogs and Pampered Dogs

What are designer dogs? The biggest trend in dogs isn t purebreds, but specially created hybrids (puggles, pookimos, Jack-a-bees)Many of the dogs that fall under the designer category include boxers, doxies, dachshunds, beagles, poodles, and more. The list of what is considered to be a hybrid is long; however; if your pet doesn t make it on this list, it doesn t mean that he is not a designer dog not like watches like like Citizen watches, GUESS,Bulova, Invicta,Tissot T-Sport, Bulova watches, KN95 Masks For Adult. This descriptive name also refers to the pampered dog pet and any pet can be treated like royalty. The latter is the focus of this article.

Pampering your dog has become a very popular trend, and shows no sign of slowing down. Treating your dog as one of the family and providing a better life for your best friend is no longer a novelty or luxury but a lifestyle. You have probably seen the pampered pooches many celebrities of the moment are sporting like the latest accessories. Often seen carrying their toy sized dogs at red carpet events or just out on the town for the night. Since American life can reflect Hollywood trends, being accompanied by a dog has become a fashion statement. There are about 73 million pet dogs in the United States. Mans best friend is the most popular pet with 43.5% of US households owning a dog. The American Pet Manufacturers Association estimates that in 2007 pet owners spent $41 billionon their furry friends. High-end and luxury products account for a growing percentage of the total spent on posh pooches.Because more families see their dog as a member of the family and deserving of the attention and care this entails. With this trend and the increase in the number of older and overweight dogs, the sales of dietary supplements and healthcare products formulated specifically for pets have benefited.This trend continues in other parts of the world such as Canada and the UK. In the UK 11% of the people said they would re-mortgage their home to pay for a vital vet bill! There is no question we have gone to the dogs. Designer Dog CarriersThe world of doggy fashions does cater to the small dog. Handbags for ladies to carry their beloved friends wherever they go. A dog tote bag for every occasion from casual to very elegant with designer tags attached. These carriers are not only attractive but functional in styles such as over the shoulder, purse style and hands free front and backpacks.
