_____

"The timing of it, you know I have to focus over here (on the U.S. tours)," Singh said while preparing for the RBC Heritage at Harbour Town. "I would like to play the Olympics, but the Zika virus, you know and all that (stuff).We focused next on my stance, my feet set about hip-width distance for stability. I learned my lower body had to stay roughly in place, and that I generated power from rotating my upper body like a coil.
