 When it comes to stylish watches, the Michael Kors line for women boasts some stunning designs ranging from classic to contemporary. Perfect for women who want to adorn their wrists in functional fashion, Michael Kors watches are an essential accessory that will add pizzazz to any outfit.
Women who favor classically tailored styles of attire and jewelry have a wide variety of Michael Kors watches to choose from that fit this aesthetic. One such time piece is the Michael Kors Women's Classic Quartz Acetate Bracelet Watch. With a silver tone dial featuring Japanese Quartz movement, this watch stuns with a gorgeous acetate bracelet that attaches with a jewelry clasp. Simple in style, but still eye-catching, the Classic Quartz Acetate Bracelet watch also has mineral crystal, a push / pull crown and is water resistant to 50 meters.
Another timelessly elegant style from the Michael Kors Collection is the Michael Kors Women's Classic Japanese Quartz Chronograph Mother-of-Pearl Dial Bracelet Watch. With a stainless steel case and bracelet and a gorgeous mother-of-pearl dial with chronograph subdials, this watch combines beautiful aesthetics with the precise timekeeping of Japanese quartz movement. The watch also has a date window between the 4:00 and 5:00, mineral crystal and a push / pull crown. Water resistant to 100 meters,www.mkonlineblackfriday.com, the Classic Japanese Quartz Chronograph Mother-of-Pearl Dial Bracelet Watch will complement any attire.
In keeping true to the theme of classic simplicity, Michael Kors® Women's Quartz Rectangular Case Brown Leather Strap Watch is a perfect complement to casual and business attire with its rectangular silver-tone stainless steel case juxtaposed by a soft brown leather strap. The face of this watch is marked with Arabic numerals at 3:00, 6:00, 9:00 and 12:00,www.promkoutletonline.com, and the silver-tone dial is powered by Japanese Quartz movement. Rounding out the details of this timepiece,www.mkoutletblackfriday.com, the Women's Quartz Rectangular Case Brown Leather Strap Watch closes with a buckle clasp and features a mineral crystal and a push / pull crown. Though soaking the beautiful leather strap is not advisable, this watch is water resistant to 50 meters.
Women who want a little bling added to a classically style watch will adore the Michael Kors Women's Quartz Chronograph Crystal Accent White Ceramic Bracelet Watch. Elegant and glamorous,www.mkblackfriday.com, this timepiece features a stainless steel case and back paired with a white ceramic bracelet that closes with a deployment clasp. The round chronograph dial is studded with silver-tone accents and has three subdials and Arabic numerals. It is protected by a mineral crystal. It also has a date window between the 4:00 and 5:00 and a fixed bezel adorned with sparkling crystals for a fun, luxe twist. The Michael Kors Women's Quartz Chronograph Crystal Accent White Ceramic Bracelet Watch has a push / pull crown and is water resistant to 50 meters. It is also powered by Japanese Quartz chronograph movement making its timekeeping extremely precise. ?

If watches with bling aren't exactly a woman's thing, a more subdued style with everyday wear appeal is the Michael Kors Women's Quartz Chronograph White Dial Watch. With a stainless steel case complementing a deployant clasp ceramic strap, the beauty of this watch lies in its simplicity. A stark white dial powered by quartz movement lends precision to its timekeeping while water resistance to 50 meters lets you wear it without worry, making it perfect for both work and play.
Though many of the watches in Michael Kors® Women's Collection lean towards classically elegant styles there are a few that have a hip, funky twist. One example is the Classic Quartz Wood Bracelet Watch. This unique timepiece is guaranteed to stand out in a crowd as it is styled like a funky, beige wood bracelet but functions with the razor-like precision of Japanese quartz

movement. With a rectangular silver-tone dial, push / pull crown and mineral crystal, this watch is the perfect combination of form and function. Plus, it is even water resistant to 50 meters, though the fine leather band might not look very good if you should decide to take a dip.
Similarly funky and eye catching, the Michael Kors Women's Quartz Tortoise Resin Bracelet Watch is another great example of a timepiece that brings a hip feel to a classic design. Perfect for both casual and formal attire, this watch features a striking tortoise shell resin bracelet with a matching case and a brown dial. The dial has luminous hands, three subdials and hour and minute marker that are adorned with shimmering Swarovski crystals. The crystal on this watch is mineral, the crown is push in and the bracelet clasp has push-button deployment. The Michael Kors Women's Quartz Tortoise Resin Bracelet Watch is powered by quartz movement and is water resistant to 100 meters.
Whether you are a woman who favors classically designed watches or one who prefers a timepiece with a little bit of an edge, Michael Kors® Women®s Watch Collection has a wide variety of styles that are sure to please even those with the most discerning taste. From elegant bracelet designs and classic chronograph styles to those like the Wood Bracelet Watch, women don®t need to look any further than the Michael Kors collection to find a timepiece with the perfect blend of form and function.
