Mostly white, the Nike Mercurial Vapor X 2016 soccer cleats sees black used for accents in the form of the Nike brandings, sockliner and sole plate. The most outstanding feature of the white Nike Mercurial 2016 boots is however the bold gradient effect on the upper. It includes three colors in Volt, Total Orange and c, and is displayed as a set of fading lines, creating a truly unique design for the white Nike Mercurial Vapor 10 2016 soccer shoes.

Featuring a traditional, low cut, the Nike Mercurial Vapor X comes with a synthetic NikeSkin upper with ACC (All Conditions Control) technology. The sole plate of the white / multicolor Nike Mercurial Vapor X boots boasts bladed studs in order to allow for quick acceleration and improved traction on firm-ground surfaces.
