Cool down! This winter is really coming.

This winter, some long reflection of the arc, to the "early snow" This genius realized the meaning of their existence. Fierce look to the exposed thighs, shouting "lukewarm" the girls a mess.

Winter and the northwest wind is equipped with the temperature down, the wind also followed the "whirring" blowing, the coat into a "Dr. Strange" cloak. Scarves, gloves Qi battle, Xiao Bian around a friend or call "cold." She said she should quickly rushed into the UGG, for her legs to pick a suitable haven.

"However, a few days ago you do not just Tucao UGG ugly to no friends, this winter will not wear it?

This friend is also our own portrayal. Always despise UGG ugly, not fashion, no personality, but a cooling, snow or willing to queue up to counter. In addition to Hainan, Guangdong, Fujian, other parts of the winter really people could not carry.

ugg weather performance boots winter is a good winter.

UGG, you know how much -

Snow boots really famous world is because UGG Australia Sale this brand, which is our public mouth of the "UGG". In fact, in Australia, UGG does not mean a single brand, it is snow boots collectively, is a type of boots. UGG's name comes from the Australians on the snow boots joking "ugly boots" - ugly boots, it seems not only we feel it ugly.

UGG on the network readings have caused widespread controversy, it is affectionately shouted in the country as "oil Jiji", and some friends in foreign countries to buy UGG, UGG, the correct reading should be "princes" . Xiao Bian think, read what is not important, because UGG has become a symbol, winter is "UGG".

However, I heard that because of the Amnesty People's ability is too strong, the Australian Customs buddy also began to "oil Jiji" the.

Referred to UGG, everyone's first reaction is Australia. Australia is indeed the origin of UGG, there are a lot of good UGG brand. But the most well-known UGG Australia is an authentic American girl.

In 1978, Australian surfers will be pure wool, handmade snow boots UGG brought to the coast of southern California, used by surfers, and the establishment of the UGG brand, he firmly believes that one day the world will and he The same as falling in love with sheepskin fur comfort.

Xiao Bian a start actually very puzzled, Southern California also need snow boots?

As the saying goes, "cold from the feet," in the cold winter climate, UGG snow boots can protect your feet, isolated from the cold air to help the body to keep warm. In the hot climate, the Australian wool's unique hygroscopicity and breathability, will absorb the feet sweat to keep the feet dry and comfortable. Therefore, the bare foot wear UGG is the right way to open. This will also explain why UGG will be the favor of surfing enthusiasts.

Although its not handsome, and even fashion insulators, but UGG or by a large number of Hollywood stars love.

UGG wear on the feet more like socks, not shoes, but it is sufficient to meet the needs of outdoor sports. Australian wool's unique density and softness can make UGG according to each person's footsteps to support the formation of different contours to achieve the most comfortable state. This is surprising comfort, who will be willing to wear off it?

Gigi Hadid & Gisele Bundenchen

Alessandra Ambrosio & Hillary Duff

Ben Affleck

However, the small plums and "Batman" Ben Affleck to demonstrate the men and classic straight UGG "do not take", a word to wear clothing with a sloppy, piercing wayward.

UGG Australia for men launched a called "New" snow boots, shape resembles the desert boots, used to concave shape tough guy temperament full, and bloated and sloppy farewell. Therefore, the male comrades do not resist UGG, and the big cold days or warm important.

This is called Ascot men UGG is the brother of Lok Fu shoes. At home, it is the most comfortable home shoes, go out, use it to replace the Carrefour shoes with pants or jeans are a good choice. Is a pair of shoes can be directly out of the UGG, hold a variety of occasions without pressure.

- UGG brand -

UGG Australia

UGG Australia can be said that people preferred snow boots brand, because people wear too much, called it "high street brand" is not an exaggeration. Classic short classic is one of the most popular.

Classic short 2.0 left 1380RMB right 1480RMB

Now the official online version of the classic is 2.0. 2.0 version of the classic short to join more than sheepskin leather material, while adding anti-fouling and waterproof features, make your UGG more resistant to "exercise."

UGG Australia in improving the color value is also very hard. In addition to the series with the bolt, bow, zipper, rivets and exposed wool, and Swarovski for cross-border joint, launched a very romantic "I DO" series (the official website for sale). Snow boots are Swarovski crystal and pearl, stepping on it like a step in the clouds of the "small public."

Woman heart is not difficult to guess, how to how romantic.

Jumbo UGG

Australia's UGG brand a lot, devaluation Jumbo UGG.

Jumbo UGG is a local brand in Australia, Australia. Jumbo UGG shoe tube thin and long, the most

suitable for Asian foot type, which can become the reason to buy Jumbo, the shoes is to be suitable for their feet.

More commendable is that, as a snow boots manufacturer, Jumbo UGG has been treated with crafts attitude towards each pair of boots.

Material selection on the Australian A-class high-grade Merino double-sided lambskin, these newborn 6-8 months of small lamb who as long as there is a little wrinkles will not be selected. Production, each pair of snow boots are handmade, and some shoes will appear small flaws, which is a good thing, but that this is a handicraft.

Jumbo UGG Left 1598RMB Right 1698RMB

Jumbo UGG men 's leisure left 1498RMB right 1698RMB

UGG brand power in many, Jumbo UGG price is not high, and each pair of shoes are the best choice of sheepskin, but also hand-sewn. In such a fine production in front of such a price is "close to the people" of the. Jumbo UGG UGG Australia is the cost-effective king.

UGG nursing tips:

If you buy the snow boots are not waterproof, it is recommended to spray a layer of waterproof spray on the surface, waterproof stains, to better extend the life of boots.

Although a lot of snow boots waterproof, but try to avoid heavy rain to wear outdoors. After all, leather, water or will be detrimental to quality.

Take care with a professional cleanser and wool care brush. Do not use water to clean, do not put under the sun exposure.
