br/> size=-3> not have the option to say no, & India added, noting & collateral & often meant handing over damaging information about one s family. Saying no meant hurting my family or hurting my friends. And I wasn t gonna do that. <a>

India also recalled the initiation ceremony into DOS where she was unknowingly branded with Raniere's initials.

 were told that it was a symbol of the elements and that this was gonna be a bonding experience, * she said explained. And we were sleep-deprived. We were starved. We were coerced.

 India also spoke with People ahead of the upcoming STARZ documentary Seduced: Inside the NXIVM Cult and gave more disturbing details about that night in January 2016.

sel had two women holding my hands and my feet so I wouldn't convulse,

India told the magazine. I remember the smell of flesh. of content br/>
 the lid off NXIVM by going public in 2017 as she fought to @save@ her daughter.

 >@I was scared to death but it didn't matter if I was scared, & Catherine told the magazine. I knew what I was up against. I knew nobody had dared to do what I was doing because this cult had financially ruined them.

 lndia added,
 can't describe in words how grateful I am for that. Because the truth is, I didn't see a future for myself when I was there. I was really kind of committed to being there forever, indefinitely. size=-3>
